CLIENT TESTIMONIALS

REAL EXPERIENCES. HAPPY CELEBRATIONS.

Excellent experience, my first time with Culinary Affaire. Hosted a lunch on my Gurgaon terrace for a Stephanian alumni meetup. I'm fussy about food: I insisted on going deep into ONE cuisine, and Chef Arjun did a great job with a largely Italian/continental menu, apart from full service - crockery, bartender, everything. The guests loved it. Highly recommended.

Had Culinary Affaire cater a recent gathering at a farmhouse and honestly had such a great experience. The food was delicious, fresh and beautifully presented, with a great variety for everyone. Everything was managed so smoothly and the entire setup really elevated the evening. The team was professional and attentive throughout. Would definitely recommend them for anyone looking for great food and a hassle free catering experience!

Highly recommend Culinary Affaire for their exceptional service and quality. We placed a last-minute order for New Year's, and Arjun went above and beyond to accommodate us despite the holiday rush. The food was delivered on time, beautifully packed, and tasted incredible.

As a new parent hosting for the first time, I deeply appreciated how seamless the process was. Arjun stayed in constant communication regarding the dispatch, and the staff on-site provided top-tier hospitality. Our guests couldn't stop raving about how delicious everything was!

I was actually able to relax and enjoy the New Year's celebration while the team took care of every detail. Truly a five-star experience!

We recently celebrated our daughter's bday with her friends. Catering was a no brainer with Arjun leading the charge on menu planning. Food was excellent and got rave reviews from guests, making the party a success. Would continue to order from Culinary Affaire in future as well.
